Digital Consultant

San Francisco, CA | +1 503.807.5197 | paigenkehoe@gmail.com

Summary of Experience and Qualifications

I am a motivated and enthusiastic Digital Consultant who has built a depth of experience in technology projects while helping my clients solve complex problems. With experience managing Agile, cross-functional and international teams and a background in software development, I bring advanced technical and problem-solving skills to take on new challenges. I look for opportunities that will both encourage and reward exceptional performance and delivery.

Experience

BUSINESS TECHNOLOGY ANALYST | DELOITTE DIGITAL | JULY 2016 - PRESENT

Role: Functional Analyst | **Client:** High End Retail Company | **Engagement:** eCommerce Front-End Rewrite

- Developing recommendations to accelerate release and incident management processes to reduce overhead and improve time to delivery
